Christmas Mission to Needy Children

Feeding the poorest of the poor

Our Appreciation

Like many of you, friends of ours in Mauritius responded to our Christmas staff appeal but went on to suggest that we do a mission to needy children in Antsirabe, during the Christmas season. Together with their local church they generously sponsored the mission.

Within a matter of days we were able to mobilize our Antsirabe team to set up this mission. 40 YFC volunteers together with one of our partners, Child Evangelism Fellowship and some YFC staff, fed about 200 children plus 40 parents in a very needy village. They were then challenge by the YFC music and drama groups, and by a gospel presentation by CEF. This was a wonderful outreach to the poorest of the poor kids. Most of the children were ready to invite Jesus into their hearts and we will never underestimate the work of the Holy Spirit in their lives. I remember making that decision at age eight.

The local village president expressed deep appreciation to YFC for reaching this needy community. In fact this mission opened further doors for ministry.

. Christmas Staff gifts

Again we sincerely appreciate all those of you who responded so generously to our Christmas appeal to bless our island staff. They all conveyed their heartfelt thanks for this gift. It met a need during a tough economic climate. We were able to give more than what we originally trusted God for. Thank you for honoring God in this way and for sharing your resources with those in need. We pray that God will give you the increase He has promised (Proverbs 3:9-10). We would love to mention your names in our newsletter to acknowledge you but we had one supporter who threatened to stop supporting us if we do that. We do not want to risk losing all of you but hopefully you received our gratitude personally.

Giving each child a book

Regional Island Conference

From the 14-24 February we will be having our annual staff conference in Antananarivo. We will have a Bible teacher, Cheryl Watson; our Area Director, Dr. Thomas Resane; and International Operation Daniel prayer coordinator, Joey LeTourneau to share in this time with us. It will also be the time for me to give pastoral oversight on the ground, deal with all kinds of YFC business, staff and strategic issues. This is usually a time to inspire, equip, empower, to share vision and build our team. No ministry will survive unless they receive ongoing development, inspiration and resources to do the work. We have committed young leaders who have a strong call to serve God on these islands. They deserve our best to do the work effectively. Thanks for helping us.

Island staff to attend conference plus 90 volunteers at prayer school

Help Needed for Conference

- We urgently need to raise \$9000 to bring staff from the different islands for our staff conference, and to run a prayer school, plus board and volunteer development workshops.
- We have a detailed budget and trusting God to miraculously provide for this important development time on the islands.
- Please share this need with your church and other fellow Christians. If we can get 90 people to give 100 \$ we can cover this budget. Please trust God with us

PRAISE & PRAYER

- For the generous gifts given towards staff and the mission to poor children in Antsirabe.
- For God to provide supernaturally for our regional conference.
- For our delegates at the conference who will represent Madagascar, Rodrigues, Mauritius and Comoros.
- For Cheryl, Thomas, Joey and myself as we prepare to share in this conference
- For God to meet us in a special way and to enlarge our vision on the islands.
- For our teams as they prepare for a challenging 2010
