

Hi everyone

Our year has already started but we would appreciate your prayers for our ministry for the next 11 months. Each day in February will give you an idea of what we are trusting God for and insight to our work with Youth for Christ.

We had a short break over the Christmas season but on the 6 January started 2008 participating and speaking at a church youth camp in Noordhoek, SA. We also facilitated separate sessions for the leaders at this camp. This church is one of our partners and it was a joy sharing with them during this time. They asked me to speak on, 'Developing a godly character'. With the leaders we worked through a three year strategic plan for their youth ministry. This is becoming my speciality. I think we went through almost twenty hours of sessions, training, facilitating group work and teaching. This was probably the liveliest group of young people I have worked with in a long time. On the second night we had the most amazing spiritual encounter and breakthrough. God dealt with so many hurts and issues that were keeping many of them in bondage. As the guest speaker I learnt more from this session than any other that week

This again confirmed my resolve to invest in leaders and to help them identify emerging young leaders that will take a courageous stand for Christ in reaching their peers.

Attached find the photos of the young people and one with the leadership team.

A heartfelt thanks for your financial and prayer commitment in our lives and ministry. Every time I hear a story of God's transforming grace or the emergence of another young leader I am reminded that we are not alone in this work. God has allowed you to come alongside us in prayer and partnership. What more can we ask when we know He cares about us.

We are so grateful!

Blessings,

David and Denise Kadalie
