Community Bible Church is excited to be hosting their first Music and Arts showcase event! We're enthused that you are partnering with us and showcasing your musical talent for this charity event that will benefit the Safe Haven Orphanage in Guatemala. This opportunity will provide you with a way to showcase your talents and gifts, as well as connect with other local musicians and the community.

Participation in this event, also requires a rehearsal attendance on Saturday, March 21<sup>st</sup> from 5-9 pm (you will be provided with a 2 hour time slot). This rehearsal is to provide you, as well as our sound team, the time to iron out any details with your performance and your sound check. We are asking all participants arrive at the event at 6 pm, day of the show, to allow time for any final preparations.

For questions and information, please contact **Tina Chappell** at **(703) 628-7992** or via email at [tina-chappell@hotmail.com](mailto:tina-chappell@hotmail.com). Please print and fill in entry form and **scan** and forward to Tina Chappell by email.
